### EECE Inter-Org Sports fest: Opening

October 12, 2014

The opening of one of the most awaited events of the council, the EECE Inter-Org Sports fest 2014, was held last October 12, 2014 at the Knights of Columbus Gym in Intramuros. With a total of 8 participating organizations, the event began around 3:00 P.M. with an invocation and singing of the national anthem. The president of the council then had his opening remarks with a message that tells them to enjoy the event and that no matter what, we are one school.

Of course, the event would not be complete without the stunning muses of each basketball team. They walked in the make-believe stage in the venue and answered questions from our judges who are none other than our very own council members.

After a short while, grades were computed and the award of Best Muse goes to JPCS.

That very same day, the first two games of basketball were held. Team numbers were decided through draw lots making THINKERS- EECE vs IECEP and NetSoc vs IEEE the first ones to compete with IECEP and IEEE winning.

### Participating Organizations
